

# ANNUAL REPORT

**November 1, 2011 to October 31, 2012**

# *INTRODUCTION*

---

The Yukon Law Foundation was initially authorized in the Legal Profession Ordinance by amendments made in 1975, but was not actually established by the Government of Yukon until 1979. The Foundation now carries on its mandate under the Yukon *Legal Profession Act* proclaimed into force on April 1, 1985.

The Foundation receives all its revenue from interest on the trust accounts of the lawyers practicing law in the Yukon and from interest on the Foundation's investments. The money available to the Foundation to pursue its objectives will therefore vary year to year depending on the amount of client money held in trust in a lawyer's trust account. For the year ending October 31, 2012 the interest received by the Foundation was \$49,214.79. For the year ending October 31, 2011, the interest received by the Foundation was \$52,512.89.

The Law Foundation depends entirely on the interest earned on lawyers' trust accounts to provide funding for grants and scholarships to Yukoners and Yukon organizations.

Individuals or organizations wishing to apply for a grant from the Yukon Law Foundation should communicate with:

## INDEPENDENT AUDITORS' REPORT

To the Board of Yukon Law Foundation

We have audited the accompanying financial statements of Yukon Law Foundation which include the statement of financial position as at October 31, 2012, and the statement of operations, statement of changes in net assets and statement of cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

### **Management's responsibility for the financial statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian generally accepted accounting principles, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

### **Auditors' responsibility**

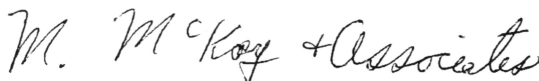

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Opinion**

In our opinion, the financial statements present fairly, in all material respects, the financial position of Yukon Law Foundation as at October 31, 2012, and its financial performance and its cash flows for the year then ended in accordance with Canadian generally accepted accounting principles.

**YUKON LAW FOUNDATION**  
**NOTES TO FINANCIAL STATEMENTS**  
**October 31, 2012**

**1. NATURE OF OPERATIONS**

Yukon Law Foundation was established pursuant to Part 5 of the Yukon Legal Profession Act. It maintains and manages a fund accumulated primarily from interest paid on lawyers' trust accounts. The fund is used for maintaining law libraries, contributing to the legal education of members and the people of Yukon, legal aid programs, contributing to the special fund, and other things incidental or conducive to the attainment of its main objects.

**2. SIGNIFICANT ACCOUNTING POLICIES**

These financial statements are prepared in accordance with Canadian generally accepted accounting principles, using the following accounting policies.

a) Revenue recognition

Contribution revenue is recognized when interest on Yukon lawyers' trust accounts is payable to the Foundation from the financial institutions.

b) Equipment and Furnishings

Equipment and furnishings are recorded as expenses when purchased, and are recorded at cost with a corresponding increase in net assets invested in capital assets. Amortization is not recorded.

c) Use of Estimates

The preparation of financial statements in conformity with Canadian generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Significant areas requiring the use of management estimates relate to the fair values of investments. Actual results could differ from those reported.

d) Short Term Investments

Short term investments are reported at fair value.

e) Financial Instruments

Financial instruments are initially recognized at fair value. Financial instruments are classified into the categories of: held for trading, available for sale, receivables, and other. Unrealized gains and losses on held for trading financial instruments are recognized. The Foundation elected to classify its cash and investments as held for trading.

f) Grants and Scholarships

Grants and scholarships are recorded as expenditures when approved by the Board. Approved, but unpaid, grants and scholarships are recorded as liabilities. Approved grants or scholarships which are subsequently cancelled by the Board reduce the grant and scholarship expenses in the years in which they are cancelled.

**NOTES TO FINANCIAL STATEMENTS**  
**October 31, 2012**

**3. FINANCIAL INSTRUMENTS**

Financial instruments consist of cash, short term investments, accounts receivable, and accounts payable. Unless otherwise noted, there are no significant currency, credit or interest risks arising from these financial instruments. The fair value of the instruments approximates their carrying values. Note 4 provides additional disclosure concerning short term investments.

**4. SHORT TERM INVESTMENTS**

Interest rate risk arises from holding fixed interest rate investments, where the value of the investments may fluctuate due to changes in prevailing market interest rates. Credit risk arises from the possible failure of an investee. The Board manages these risks in accordance with its investment policy.

The Foundation is not subject to externally imposed capital requirements.
